Be a HOPE Hero! 888-201-4673

**Dear Happy Hope Hero,**

Thank you for your interest in sharing hope with hospitalized children. We believe that everyone can make a difference in the lives of children with special needs, chronic and life threatening illnesses.

**What's the Happy Hope Box Project?** It's simple! The Happy Hope Box is an onsite, impactful and engaging way for employees to "Play it Forward" for children undergoing treatment in your local community.

**How does the program work?** You decide the date, amount of time your team can dedicate to packing, number of hope heroes who will be prepping and packing hope bags and your budget. We will create a unique, hospital approved team building activity guaranteed to be your company's #1 corporate social responsibility event.

**What do we do after we pack the Happy Hope Bags?** Included in all hope projects is shipping, via UPS, to your local Children's Hospital or dedicated pediatric facility. The Message of Hope Foundation has relationships with hospitals nationwide. We will take care of ensuring that your donation is directed to local children who are most in need of happiness, love, joy and HOPE! Hospital requests are always welcome.

**How do we get started?** Awesome! Let's start sharing hope. We have four Hope Bag projects based on donation levels. Select the package that fits your need and contact us at (888) 201-4673 or by email at [Info@messageofhopefoundation.org](mailto:Info@messageofhopefoundation.org). Hope Boxes ship weekly and nationwide. Minimum donation is \$1000. Please allow 2-3 weeks lead time for all hope boxes. Donation must be received prior to boxes being shipped.

The Message of Hope Foundation, founded in 2011, is a nationally recognized 501c3 charity dedicated to delivering happiness to hospitalized children through the "Happy Hope Bag" project. Thank you for being a part of delivering HOPE to amazing & brave children. We can all be hope heroes.

**Sincerely,**

A handwritten signature in black ink that reads "Emi Burke".
