

HAPPY HOPE COMPANY

what we do

The Happy Hope Company engages individuals and corporate teams through a range of products and services that encourage leadership, team building and innovation. Led by Emi Burke, the Happy Hope Company helps individuals and corporate teams find their purpose and realize their potential for success!

EDUCATE *downloadable podcasts*

CEO Emi Burke and Executive Director Wendy Webster share inspiring stories centered around themes of strategic leadership, innovation, team building, and entrepreneurship. Casual conversations between long-time friends and colleagues, Emi and Wendy provide relatable and engaging storytelling that is humorous, heartfelt, and full of hope.

LEAD *teambuilding workshops*

Motivational speaking services, workshops, seminars, and conferences to engage professionals at any career stage. CEO Emi Burke delivers inspirational lectures and talks on topics that include: strategic leadership, innovation, corporate team building, customer relationship management, entrepreneurship, creativity in business, change management and sustainability. Emi is a skilled and oft-requested public speaker who shares with sincerity, connecting with audiences across sectors and communities.
