# MINDFULNESS FOR ALL AGES

*Let's be present in each and every day.*

Becoming more mindful and aware improves our overall well-being and helps us get in tune with our feelings to get more out of the day-to-day. Practicing mindfulness can also help us identify what we're grateful for, which has been proven to help boost your happiness levels!

**A Year of Mindfulness** and **Everyday Mindfulness** kits were created to help support the emotional and mental health of children and teens. Each kit is packed with special items that encourage recipients to reflect, recharge, and be more present in their every day.

## A Year of Mindfulness for children ages 5-11

*A Year of Mindfulness kits include:*

- 🌀 Toothbrush kit with brush, toothpaste, timer and stickers that promotes good hygiene and reminds users why their smile is so important.
- 🌀 You Are Special coloring activities that encourage creativity and kindness.

Both kits contain a new calendar to help focus on every day! Separate calendars for children and teens provide simple prompts and guided exercises to help writers practice mindfulness daily.

## Everyday Mindfulness for teens ages 12-18

*Everyday Mindfulness kits include:*

- 🌀 Be Kind coloring activities and colored pencil set to provide a creative outlet and engage recipients in a therapeutic activity shown to reduce anxiety and stress.
- 🌀 Happy Hope Journal to encourage reflection and an opportunity to organize thoughts and gain perspective.
- 🌀 New toothbrush to encourage good hygiene practices.

A **Year of Mindfulness** and **Everyday Mindfulness** kits are available as an addition to our most popular Hope Hero Kit. We believe everyone can be a hero, and that heroic acts large and small happen every day! Hope Hero kits contain: Hope Hero banner and head bands to remind recipients that they are valuable and important; stickers, stamps and coloring activities that encourage Heroes to share their gift with the world; socks that remind wearers that they never walk alone; and a special Hope Hero activity book to engage and inspire.

Give the gift of hope to a child.  
Give the gift of time to  
your family.

The Happy Hope Foundation wants  
to help your family share their GIFT!

Launching this April, GIFT is the Happy  
Hope Foundation's newest way to get  
involved and give back – *right from home!*

Approximately four times per year, the Happy  
Hope Foundation will host special virtual  
volunteer events to pack Happy Hope Bags for  
children experiencing a health or safety crisis.  
Join families around the country virtually and  
share a boost of hope together!

Register to receive project supplies shipped to  
your home, along with detailed instructions and  
pre-paid shipping to return your completed  
kits. On **GIFT Day**, join the Happy Hope  
Foundation and participating families on  
Zoom for a fun welcome and to celebrate  
service and giving back!
