

Help us create our 
Two Millionth Smile!
in 2030

The Happy Hope Foundation was founded in 2011 with a mission to deliver hope and happiness to children receiving care for a health or safety crisis.

Through our Happy Hope Bag program, we have reached over 1,000,000 children across the U.S. and around the world. Every Happy Hope Bag is filled with creative activities and basic care items that deliver a boost of hope when needed most.

**By 2030, we want to deliver our
2 millionth Happy Hope Bag – with your help!**

Happy Hope Smile Kits:

- **Spread Smiles** - Share the power of a smile and pack a Smile Kit for a child in your community. Kits include a toothbrush, toothpaste, flosser, and a strip of sticker fun!
- **Set up anywhere** - This easy to assemble kit is a quick way to create many smiles! A perfect project for classrooms, break rooms, and anywhere you have a team ready to give back.
- **Choose your theme** - Select one of several kit designs, or deliver hope throughout the year and pack a kit for every season!

Happy Hope Factory is a 501c3 charity dedicated to delivering happiness to children in hospitals and shelters nationwide. Now that's something to smile about.

With your tax-deductible donation, the Happy Hope Foundation provides all materials and shipping needed to pack Smile Kits for children in your community.
